Rolla, MO 65402

## 2010 Ozark Actors Theatre Drama Camp Overview

### Children's Workshops

Students of these fun drama workshops will receive instruction in acting, singing and dancing as well as star in their own musical! Working together, they will build and make their own costumes and sets too! Each day will be spent in class, learning basic skills by hands-on activities and playing games; and in rehearsal,

learning lines and dance steps. At the end of the workshop, each student will have their very own monologue, song and dance combination for auditions! Learning performance skills and stagecraft will help build confidence, make friends and provide a fun week of singing and dancing!

### Teen Workshops

This new all day workshop is geared toward teaching teens performance and audition skills. Each day consists of instruction in acting, voice and dance as well as the various aspects of Technical Theatre; and will end in rehearsal for their showcase performance. This structure supports each student on an individual basis by exploring different techniques and levels. The Showcase at the end of the week will include monologues,

scenes and musical numbers from modern Broadway musicals, providing each student with a piece that showcases their individual talents! Each student will go through a mock audition at the end of the week using the pieces they learned in class. This is the perfect workshop for a beginning actor, or the seasoned Thespian!

## 2010 Drama Camp Registration Information

*Curriculum:* Camp is structured around classes and rehearsal. Each day campers will have instruction in acting, dance, voice and technical theatre (Crafts for the children's camps). The other half of the day will be dedicated to rehearsing a short youth musical (children) or a showcase of monologues, scenes and songs (teens). The purpose of the classes is to introduce campers to each part of performance as well as prepare them for auditions. Teens will go through a mock audition on the last day using monologues for acting, a song for voice, and a dance combination for dance.
